The only exception to this By-Law will be the correction of an emergency repair. An emergency repair is defined as one that affects the health, safety and welfare of the Association and requires immediate action. An emergency repair will not require three written estimates.

C The placement and purchase of, and payment of premium for a policy or policies of insurance providing coverage of the following types and amounts for the Board of Trustees, each member thereof, the Officers, and all Unit Owners, and the holder of each Permitted Mortgage (as defined in paragraph 14B of the Master Deed):

i) insurance against loss or damage by fire and such other risks as may be covered by extended coverage insurance covering the entire Property in an amount representing the full insurable replacement thereof, without deduction for depreciation, together with coverage for the payment of Common Expenses with respect to damaged Units during the period of reconstruction (“Fire Insurance Policy”); and

1) The Fire Insurance Policy shall contain mortgagee endorsements in favor of the holder of each Permitted Mortgage, but all payments on account of loss or damage covered by such policy for repairs and restoration shall be made to the Board of Trustees and shall be applied as directed by the Board of Trustees, unless, as provided in Section 24 of the Condominium Act, such damages shall constitute a substantially total destruction of the Common Elements or seventy-five percent (75%) of the Unit Owners directly affected thereby shall determine not to proceed with the work of repairs and restoration, in either of which events such sums shall be disbursed as therein provided. - 4) All policies of insurance carried under this subparagraph B, shall: (1) provide that all adjustments of loss shall be made only by the Board of Trustees; (2) contain waivers by the insurers of all rights by way of subrogation or otherwise to the claims or rights of any one named or persons otherwise covered or benefited by such policies against any one named or persons so covered or benefited thereby (including the Association and the Board of Trustees and their respective agents and employees and the Unit Owners and their respective agents and employees); (3) provide that the coverage afforded to any and all other named persons otherwise covered or benefited by such policies shall not be affected by the acts or omissions of any one or more named persons otherwise covered or benefited thereby; (4) provide that they shall not be cancelled or modified without at least ten (10) days' prior written notice to all those whose interests are covered thereby, including, without limitation, all holders of Permitted Mortgages in the case of the Fire Insurance Policy; (5) provide that the coverage afforded thereby shall not be affected or diminished or result in contribution by reason of any additional insurance separately carried by any Unit Owner as permitted by the further terms hereof or by any other person or entity; and (6) provide that the insurer shall not have the option to restore the insured premises in lieu of making a cash payment of the proceeds without the approval of the Association. Duplicate originals of all such insurance policies and renewals shall be delivered by the insurers (at least ten (10) days prior to the renewal in case of each renewal) to the Board, and duplicate originals or certificates or memorandums of insurance shall be issued by the insurers to all others whose interests are covered thereby, including, without limitation, the Unit Owners and the holders of Permitted Mortgages in the case of the Fire Insurance Policy. No Unit Owner shall do or permit any act which would void or impair the coverage afforded by said policies or would result in an increase in the premium therefore, and shall be liable to the Board for the amount of any such increase. The provisions of this subparagraph shall not be construed to prohibit any Unit Owner from carrying other, separate insurance for his own benefit, such as, by way of

illustration and not of limitation, public liability insurance covering liabilities occurring solely within his Unit or away from the Property, which liabilities will not be covered by the insurance to be carried by the Board of Trustees under the terms hereof, provided that all such policies shall be obtained either from an insurer with which like coverage is at the time of reference being carried pursuant to the foregoing provisions or from another insurer approved by the Board of Trustees, which approval shall not be unreasonably withheld, and shall contain waivers of subrogation (having the same scope as that required with respect to the insurance to be carried by the Board hereunder) and provided that the insurance carried by such Unit Owner shall not affect, alter or diminish the coverage under the policies being so carried by the Board. Copies of proposed policies of insurance shall, before being effected, be delivered to the Board for approval pursuant to the terms hereof, which approval shall not be unreasonably withheld, and the policies actually issued following such approval shall provide that they shall not be modified or cancelled without ten (10) days' prior written notice to the Board and copies thereof shall be provided to the Board when issued. If a casualty loss is sustained and there is a reduction in the amount of the proceeds which would otherwise be payable on the insurance purchased by the Board of Trustees hereunder, due to proration of insurance purchased by the Unit Owner, the Unit Owner agrees to assign the proceeds of this latter insurance, to the extent of the amount of such reduction, to the Association to be distributed as herein provided.

- D The preparation of an operating budget covering expenditures in connection with the maintenance, repair and replacement of the Common Elements, costs of insurance and any other Common Expense, the amount and period to be covered of the assessment covering the Common Expenses to be levied against all Unit Owners and the time for its payment. For this purpose, the Board of Trustees is expressly empowered to make the annual and special determinations and assessments on behalf of the Association that are authorized by the terms of paragraph 8A of the Master Deed, with particular reference to the following powers and duties:
- 1) The Board shall assess the total amount of its annual determination of the estimated Common Expenses for the ensuing fiscal year against all of the Units and the respective Unit Owners thereof, in the same proportion as their respective undivided interests in the Common Elements as set forth in the Master Deed. The proportionate amount thus found applicable to each Unit shall be payable by the Unit Owner in accordance with the schedule set forth by the Board of Trustees.

- 2) By majority vote of the Board, to make interim determinations adjusting or increasing the amount of any annual assessment for Common Expenses and the monthly installments thereof, and to levy and collect in addition thereto, special assessments for Common Expenses in such amounts as the Board may deem proper, whenever the Board is of the opinion it is necessary to do so in order to meet increased operating or maintenance costs, or additional capital expenses, or because of emergencies; provided, however, that all such increased or special assessments shall be made or levied against the Unit Owners and the Units owned by them respectively, in the same proportions or percentages as provided in paragraph 1, Sub-section D 1, of this Article VI.
- 3) It shall be the obligation of the Board to take prompt action to collect assessments for Common Expenses and for any expense incurred or advances made by the Board under paragraph 1, Sub-section E of this Article VI, together with accrued interest, from the date incurred or advanced, as the case may be. The delinquent Unit Owner shall be obligated to pay (1) all expenses of the Board, including attorney's fees, incurred in the collection of the delinquent assessment by legal proceedings or otherwise, and (2) any amounts paid by the Board for taxes or on account of superior liens or otherwise to protect its lien; which expenses and amounts, together with accrued interest, shall be deemed to constitute part of the delinquent assessment and shall be collectible as such.

E The determination of all other costs and expenses due from each Unit Owner other than such Unit Owner's share of the Common Expense; the manner of the assessment therefore; and the time for its payment. The following applications of these provisions are intended to define, but not by way of limitation, the scope of Board's powers hereunder:

- 1) Each Unit Owner shall deliver to the Secretary original receipted bills evidencing the payment of all charges, claims, taxes and assessments against a Unit for which a lien could be filed, including by way of illustration and not limitation, real estate taxes, and assessments for municipal improvements, at least five (5) days prior to the date on which any penalty shall accrue for the non-payment thereof and shall give the Board written notice within five (5) days of the receipt by such Unit Owner of notice or of actual knowledge of the attaching of any lien (other than the lien of a Permitted Mortgage) or the filing of any suit or other proceeding against his Unit. The Board may, but shall not be obligated to, advance any sums necessary to prevent the attaching of any lien against any Unit (except the lien of a Permitted Mortgage).

- 2) In the event of the failure or threatened failure of any Unit Owner to comply with these By-Laws, with the Association's Rules and Regulations, (as defined by the Board of Trustees), or with the covenants, conditions and restrictions set forth in the Master Deed or in the deed to each Unit, the Board may, but shall not be obligated to, advance any funds necessary to correct or prevent any failure or threatened failure to so comply.
- 3) The amounts and expenses advanced under the foregoing subsections, together in each case with interest at the rate of six percent (18%) per annum, shall be promptly assessed by the Board against the Unit Owner, and shall be collectible and enforceable in accordance with the provisions of paragraph 1, Sub-section D of this Article VI.

F Committees. The Board of Directors may, by resolution adopted by a majority of the Directors in office, establish committees of the Board composed of at least two (2) persons who are volunteers which, except for an Executive Committee, must include non-Board members. Appointment of the chair of such committees shall be by the committee. The Board may establish such procedures to govern their activities, and delegate thereto such authority as may be necessary or desirable for the efficient management of the property, affairs, and business activities of the Corporation.

G Promulgation, distribution and enforcement of Rules and Regulations of the Association governing the details of the use and operation of the Property and the use of the Common Elements by the Unit Owners and their lessees, and the employees and entities of any of them.

- 1) Rules and Regulations of the Association shall be reviewed and revised as necessary by the Board on an annual basis and presented to the Association in conjunction with the annual newsletter at the opening of each season.
- 2) Require Trustees to formally provide owners with a monthly interim financial statement with comparison of actual to budget, footnote explanations, Profit and Loss, Balance Sheet, Statement of Cash Flows, Cash Report, Investment Schedule and Capital Improvement (CIP) schedule. H Preparation of a yearly audit, for the previous year by a CPA of all books and records of the Association pertaining to the Property, Common Expenses and expenses of or advances made by the Board pursuant to §1, of Subsection E of this Article VI. The Board shall retain a copy for inspection. The foregoing shall not limit the right of any Unit Owner to inspect the books and records of the Association, as aforesaid, during business hours and upon prior written notice to the Board.
